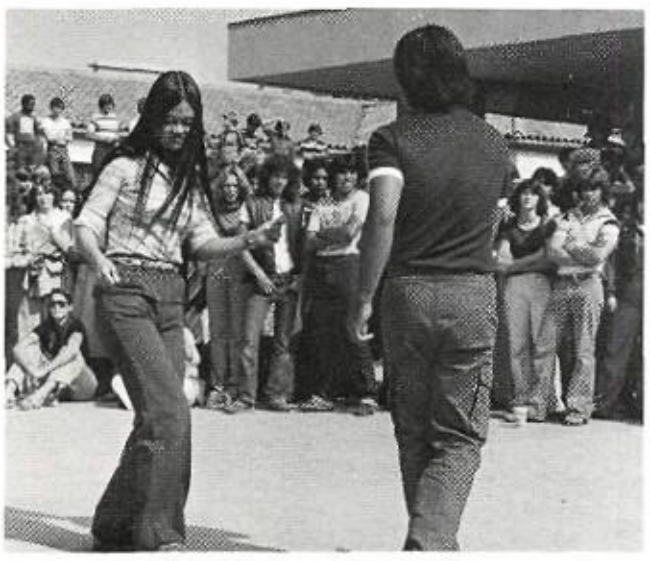
Rainbows of friendship
color our days
with a happiness
that never seems to fade.
They curve
far beyond the horizon
of here and now . . .
But the treasure is at this end.
Edward Cunningham



The most I can do for my friend is simply be his friend.
Henry David Thoreau

A true friend is someone you can trust with your deepest secrets.
Anonymous

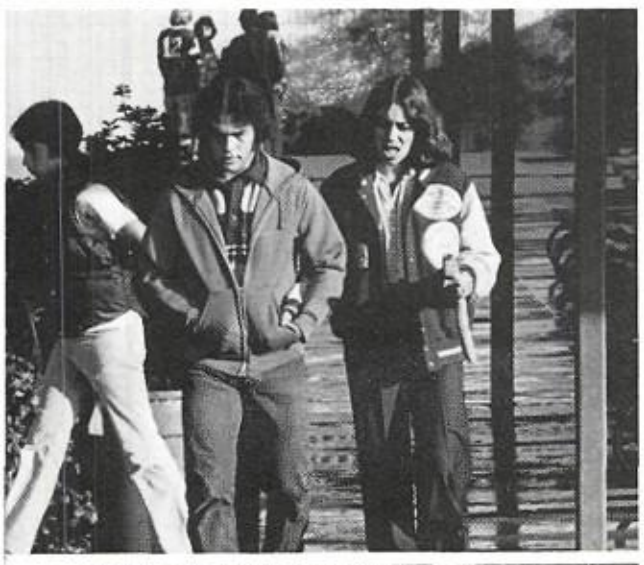
We cannot tell the precise moment
When friendship is formed.
As in filling a vessel drop by drop,
There is at last a drop
Which makes the heart run over.
J. Boswell

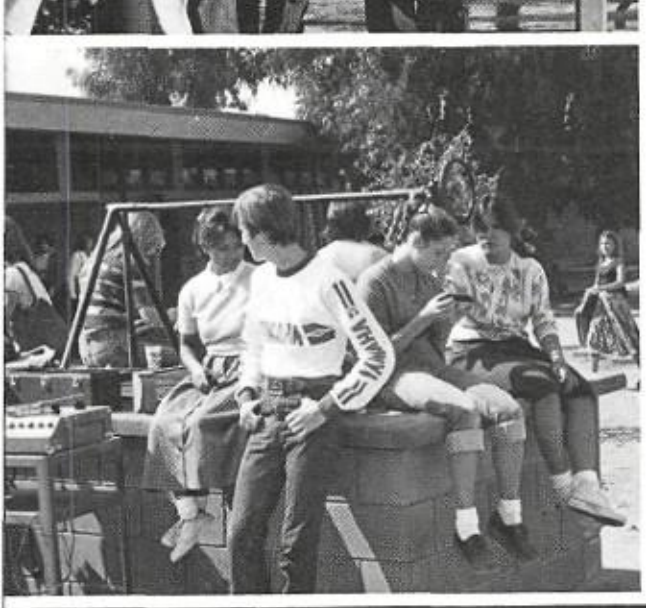
A good friend will not look back at your mistakes but look forward to your accomplishments.
Dorit Dudley

If anyone should ask me to give
a reason why I love my friend,
there could be only one answer:
"Because he was he,
becuase I was I."
Montaigne

Friendship is . . .
taking, giving
loving, living
growing, reaching
learning, teaching

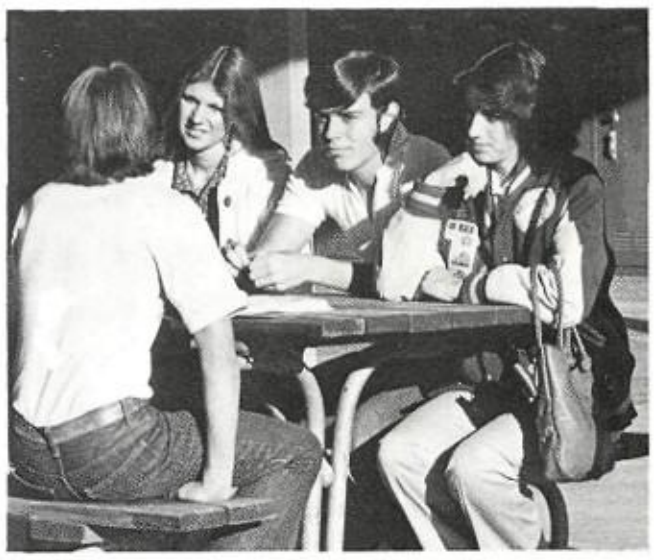
Dorit Dudley

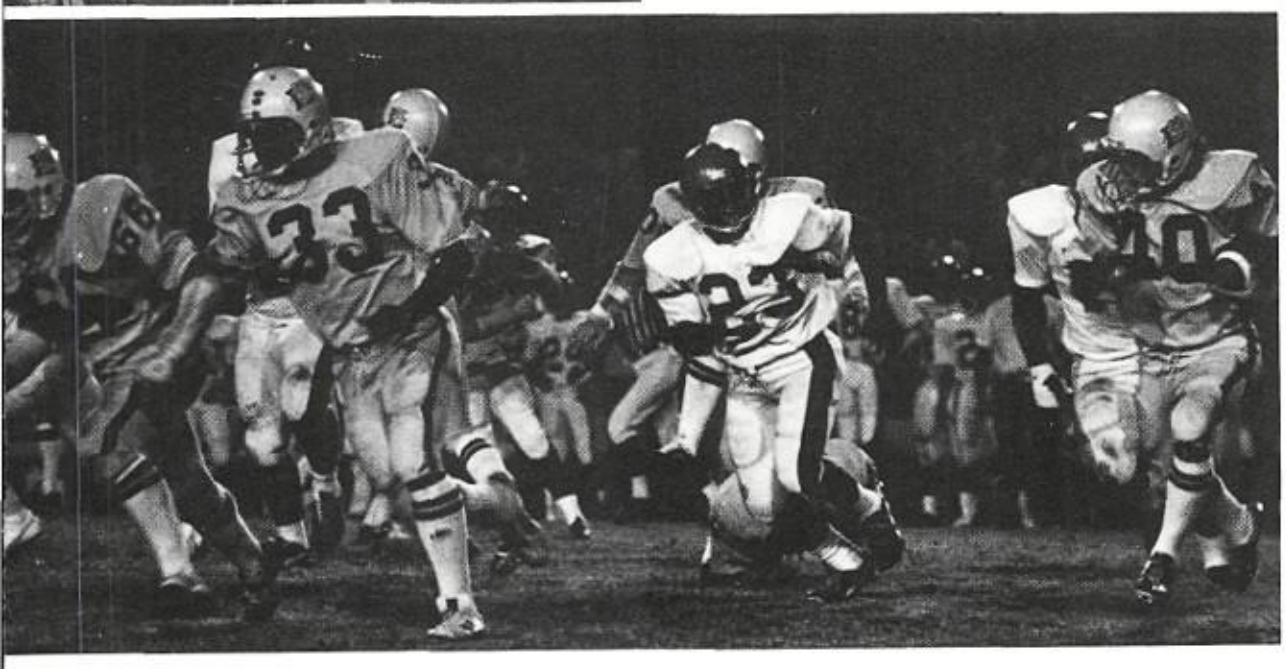




Having friends sometimes means anxiousness, sometimes means sacrifices, maybe even a little jealousy. But when the laughter, joking and good times are thought about, and when you find a smile on your face and a warm feeling inside, the anxiousness evaporates, the sacrifices are made without a thought, and the jealousy, well, jealousy turns to admiration and in your heart you're proud of your friend.

Anonymous





To be capable of steady friendship and lasting love, are the two greatest proofs, not only of goodness of heart, but of strength of mind.

William Hazlitt

In friendship we only see those faults which may be prejudicial to our friends. In love we see no faults but those by which we suffer ourselves.

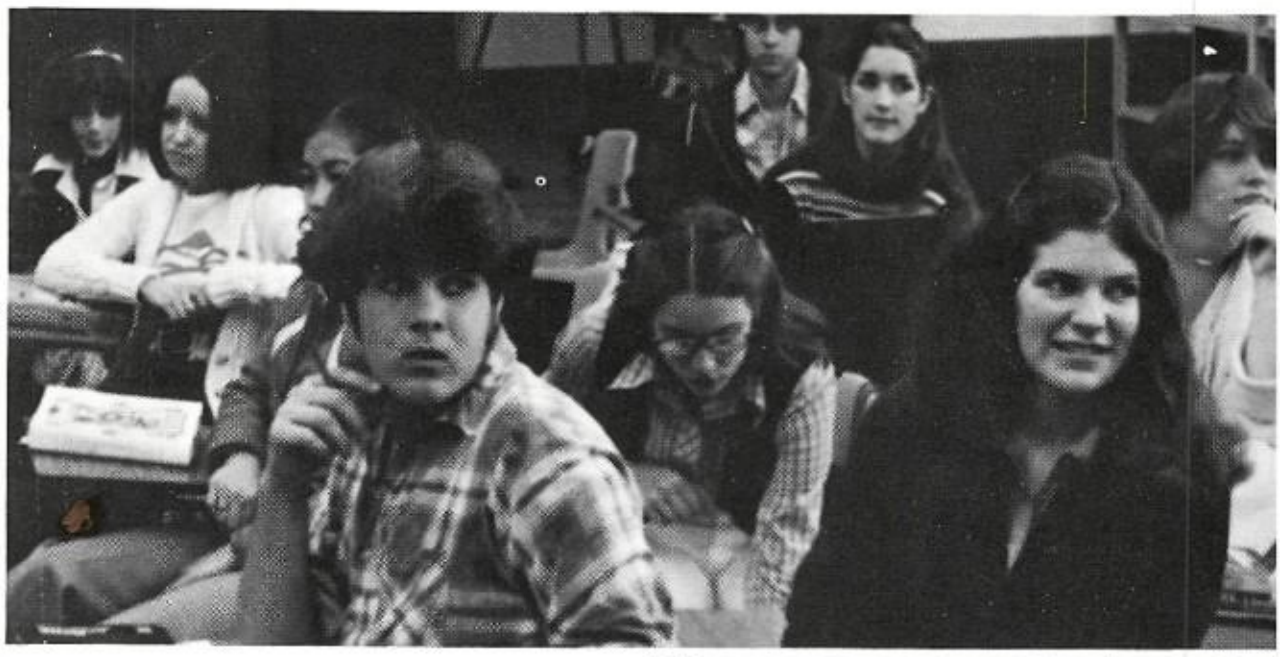
La Bruyere

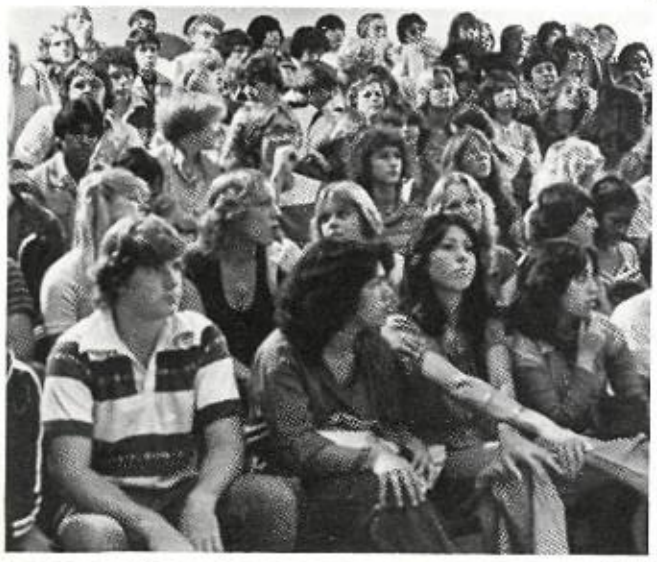
Moments fly so fast whenever
Friends are sharing them
together.

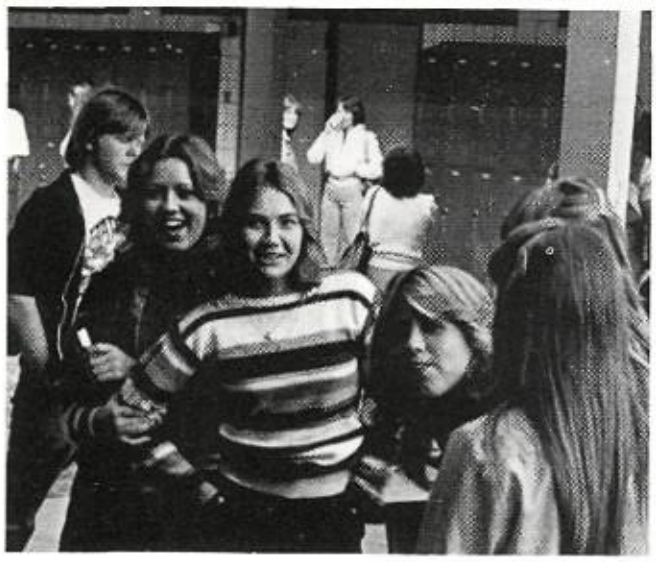
Anonymous

The comfort of having a friend may be taken away, but not that of having had one.

Seneca

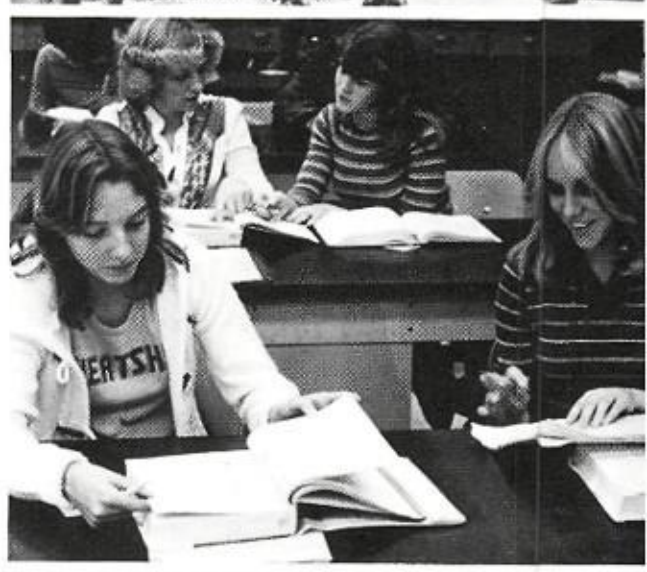






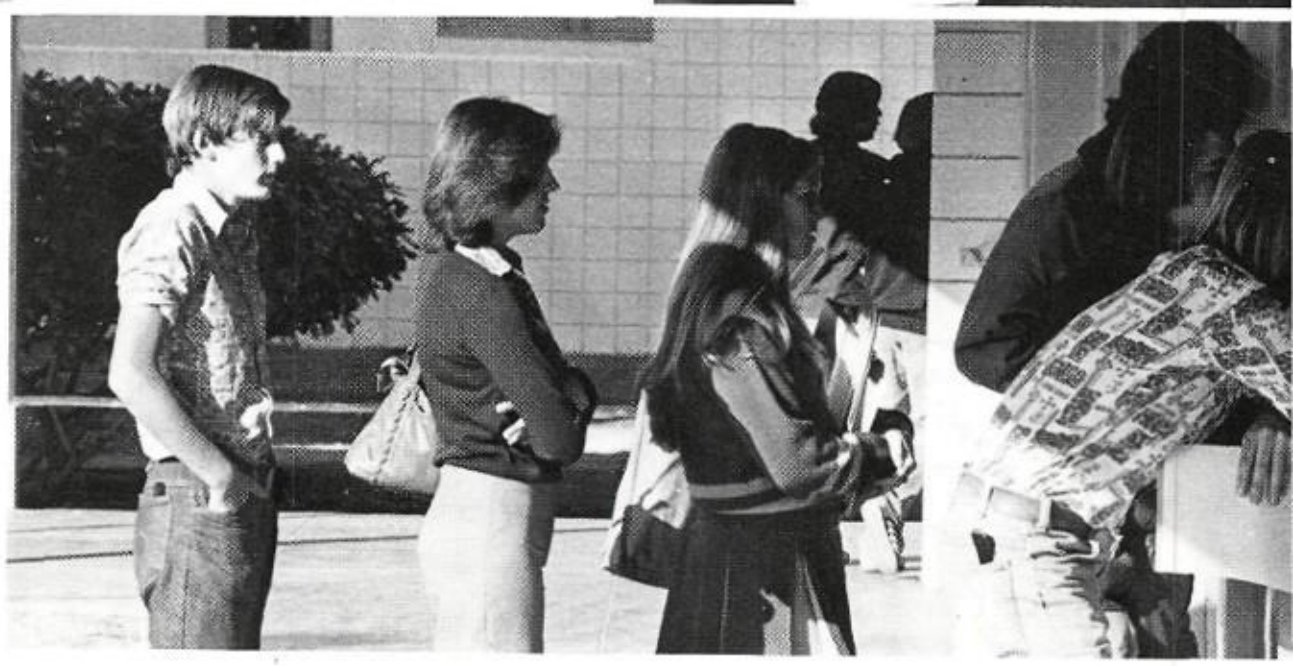
Life is sweet just because of the friends we have made.
And the things which in common we share;
We want to love on, not just for ourselves, but because of the people who care;
It's the giving and doing for somebody else . . .
On that all life's splendor depends,
And the joy of this world when you've summed it all up, is found in the making of friends.

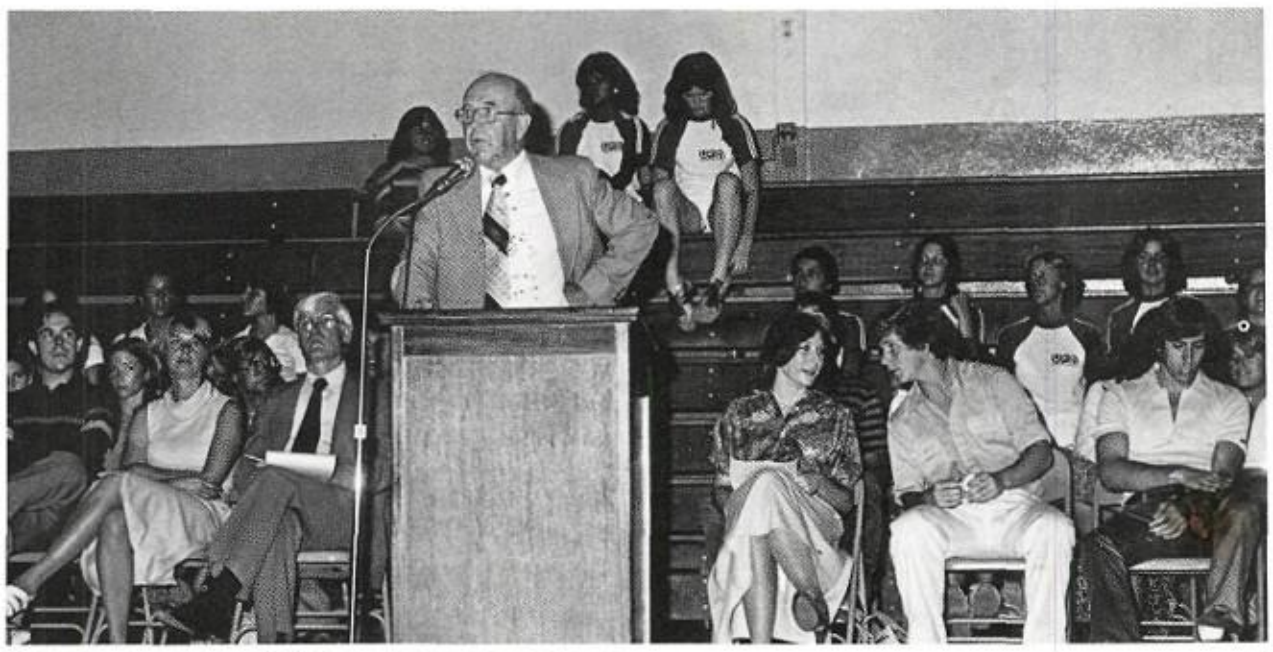
Edgar A. Guest



Those who join in the joy of friendship,
Share in the splendor of life

Denise Finley





Friends are like books on a shelf.
They can be funny or serious.
They can be popular—or very hard to read.
But most of them have something interesting to say . . .
And every page brings a new surprise!

Edward Cunningham

A friend is someone who stands by you.
A friend is someone who is always honest, though it may hurt.
A friend is someone who shares his sadness and glory.
A friend is someone who is your shoulder for comfort.
A *true* friend is someone to treasure.

Denise Finley

A good friend will not look back at your mistakes but look forward to your accomplishments.

Dorit Dudley

The truest friends are those who give respect to one another.

Nuntius—Photos, Pages, Deadlines

Whenever someone walks up to you on campus, shows you a photograph, and asks you to identify the people you can bet they are on the L.H.S. yearbook staff. The staff works very hard to get pages in before the deadline and to get those pictures together to make the book the best it can be. Editor JoAnn Evangelo sets up pages and made most of the major decisions concerning the book. The group voted on the cover which is kept under hat until the official unveiling. After pages are completed, they need a final check from advisor Joel Finley. He makes sure that captions for one picture aren't set for another and checks to see that all those names are spelled correctly. The staff has to wait until delivery time to see the results of their efforts.

Tiger Tribune Keeps LHS Informed

Talk about keeping us well informed! In addition to Tiger's Voice, our journalism class also printed monthly editions of the Tiger Tribune. They also printed special issues using funds from student council and local merchants.

Our journalists were able to produce many excellent issues. These included regular features such as Outdoors with Neal and Benito, and Speaking of Sports by Joe Harding.

Good job Tiger Tribune.

Rally Club Gets Active!!

Rally Club changed from a quiet club to one of the most active clubs on campus. All the members worked together to prepare posters for rallies and games to promote Tiger Spirit. The biggest event sponsored by Rally Club was the annual Basketball Queen contest. Candidates had to be selected, pictures had to be taken, rehearsals had to be scheduled and flowers had to be ordered. Yearbook staff member, Jaime Hallen, was selected as queen. Advisors Yolanda Jaime and Gloria Lewis commented that the club really pulled together and had a good year.

The Pep Band livens up the rally.

A marching band, a pep band, even a concert band. All wrapped up into one band. OUR BAND. They march in parades, play at rallies, and give Christmas concerts. Oh, they also give half-time shows at our football games. They even had the distinction of playing at the East-West Shrine game in Palo Alto. Our band placed seventh out of twenty-six bands. Not bad for little ol' Lemoore. Our band also had some attractive young ladies who threw batons and carried banners. Every band has to have majorettes and, of course, lettergirls. Ours was no exception. And they did a good job. And the person in charge of it all, Tracy Landrus—who else????

Sixty enthusiastic members visited Pepperdine University in February. They also attended CSF night at Disneyland, and had a great time in spite of the weather.

FFA Continues To Be Active At LHS

The Lemoore chapter of the FFA is one of the most active clubs at L.H.S. They held an FFA week, having competitions between the classes including everything from hay bailing to cow chip throwing. They had two sectional officers, Karen Rosenthal and Ron Rinehart. They were featured in the National Future Farmers magazine. They competed in all areas of farming, including livestock, horses, meats, vegetables, and farm power. They held a barbeque for the faculty at L.H.S. and also went rollerskating as a group. In addition, they co-sponsored the winter dance, with Student Council.

We have had students from such far off places as Brazil, Argentina, Italy, Bolivia, Denmark, Iran, New Zealand, Norway, and Africa. Our AFS student this school year was Barbara Mueller from Austria. We learned a lot from her and enjoyed her visit. It *is* a small world.

FTA Sends Valentine Grams

Valentine grams? at LHS? That's right! They were sold by Future Teacher members prior to that very special day. The club also held a cake raffle at the half-time of the Lemoore-Hanford basketball game. They used the money for scholarships and a trip to CSUF. The annual Observation Day was held in January. The members had the opportunity to spend one entire day observing students and teachers at work and at play. It was a most enjoyable experience for everyone.

A Cappella - Voices Only!!

A Cappella, by definition, is to sing without musical accompaniment. Not easy. Have you ever tried it? (other than in the shower). Their director, Tracy Landrus, gave them the opportunity to sing a variety of music. They even got to hear themselves sing with the aid of a cassette tape recorder. Would you believe that they didn't like everything they heard. It gave them a chance to make needed adjustments before they had to make any public appearances. Keep on singing!

You're supposed to eat custard pie, right? Well, the pie in this play ended up in someone's face. Money belongs in a bank, right? Not in this play. First, it was in a paper bag; then behind a painting; then in the records; then . . . Fur coats, inventions, banana peelings, half-eaten apples—an interesting combination. The play was a mixture of mystery and comedy. Congratulations to Janet Truax and Rick Dunn for receiving the Dirty Glove and Golden Crutch Awards.

They also sold balloons and chili at football games. They sponsored a contestant in the Lemoore Chamber of Commerce Christmas queen contest, attended the performance of "The Music Man" at West Hills College, and participated in many speech tournaments. The members aided both the Junior and Senior class plays. In April, several of the members traveled to Los Angeles to take in a few plays and to meet the people behind the scenes and to "rub elbows with the stars."

Robin Fleming, Sue Hudson, Margaret Oliveira, Julie Daniel, Susie Macke, Leslie Anderson and Leslie Ogle boost Freshmen spirit.

Big and little sisters were given the opportunity to become familiar with L.H.S. and hopefully, after a tour, be able to find their classes. A fashion show was held, sponsored by Kleo's Klothes and Stitch 'N' Time. It included clothing and material that could be found at either of the stores. The cheerleaders and pep girls demonstrated some cheers and routines they learned at camp and had everyone participate. The part was sponsored by Girl's League.

Many Hours, Many Cheers — RAH!

Pay attention. We won't repeat . . . is one of the favorite cheers of the L.H.S. pepsquad. They brave the cold to cheer our football teams to victory. They keep the excitement high at the basketball games. They spend many hours, preparing their routines and cheers, in addition to painting posters supporting our teams. They practice very hard to represent our school. The purple and gold uniforms they wear on game day remind everybody of the games and the morning announcements /cheers wake us up and keep our spirits high. Their faithful advisor, Georgia Huneke, helps them plan their routines, answers any questions they might have, and most importantly, keeps them together.

Night Rally proved to be exciting and very unusual. People were given a chance to toss eggs, put on boxer shorts, create a pyramid and roll over each other. The queen candidates raced to be the first in the pie eating contest only to find out that the winner received five pies in the face. The cheerleaders led the class competition cheer, and with the pep girls gave us "Family Feud", with the Reedley Pirates challenging the Lemoore Tigers. The pep girls, in keeping with the "Friday Night Live" theme, did a harem routine to Steve Martin's "King Tut". The Seniors triumphed, winning several events which contributed to the 1978 Homecoming Night Rally spirit stick.

Freshmen and juniors competed before before school in the rain, while the seniors and sophomores began in the afternoon. At halftime of the final game, which the Seniors won, Keith Neal was chosen Tiger of the Year. A rootbeer drinking contest was also held—rain and all! A muddy tug-o-war ended the action.

WYL Tough On Tigers

Successful pre-league play inspired hopes for a winning season in the WYL, the toughest league in the valley. The Tigers opened with four straight wins, but their glory was short lived. Victory wasn't seen again by Lemoore until four games later when the Tigers rolled past a hard-hitting Sanger team. An impressive running game was led by Daymon Silva, Lemoore's best ground gainer in several years. Phil Brooks was a rugged man on the line, while Greg Marshall connected to versatile Dan Paulo for fourteen receptions. Defensively the squad was led by Mark Gilfry and Chris Gerking. The Tigers fought to a creditable 5-5 record.

They tied Coalinga and defeated Corcoran. After losing to Tulare, they rolled over Wasco, Monache, Reedley and Redwood. The losses to Sanger, Mt. Whitney and Hanford gave the Tigers a season's record of 5-4-1. The team had many outstanding performers on both offense and defense with everyone contributing their individual talents. The award winner's were James Coble, most valuable offensive player; Brett Garcia, most valuable defensive player; and Robert DeRaad, Captains award. Congratulations to everyone for a fine season.

Frosh Outscored; Not Outhustled

Under the guidance of veteran coaches Jack Palermo and Wilbur Booth, the Frosh rolled to a 3-4-1 record. They were outscored by tough league opponents, but they were neve outhustled or outplayed. Ivan Hurd put on several "speed shows" and burned the opposing defenses for some long yardage and several scores. Jeff Brooks won the Captain's award and James Silva was named Most Improved.

Many of the swift feet that made Lemoore a cross country dynasty ran out on our harriers—They graduated! Despite this fact, Coach Fraley and his runners had another excellent season. Long workouts in 100 degrees plus heat paid off for the Varsity as they finished a respectable third place in league. Valley qualifier Kevin Strain set the pace for the Tigers. Joe Buhler and Darrel Stoke were close behind and will return next year to log hundreds of long miles. Veteran Pete Cotton outlasted many competitors. The J.V. squad was led by Ron Rinehart and Mike Cavanaugh. Smooth striding George Gaffney also was an asset to the team. The kittens ran like heck and earned for themselves the title of co-champions. Good job guys!

Girls may be made of sugar and spice and everything nice but when it comes to cross country, they're as tough as nails. These girls didn't complain when Coach Solis put them through grueling workouts. When it was time for competition, Lemoore girls were ready to run. Katie Myers and Michele Partrige were team leaders and will be back next year. Kim Nail, a well disciplined Sophomore, was a tough competitor and Stacey Kelley and Sandy Donenwirth added depth to the team. The girls finished Third place in league and qualified for valley.

Varsity, Frosh-2nd; JV's 3rd

Varsity: Talented, Inconsistent

A talented, but inconsistent, varsity squad hit the courts under the direction of Jim Gordon in his first year of varsity coaching. This group of young men worked hard all season long. They were in contention for championship, but Lemoore's top league standing dribbled away as key games were lost. Lemoore narrowly missed a playoff birth to a strong Redwood team in an exciting post league game. Ernie Young and Dave Shetters did a fine job controlling the boards while Greg Marshall and Keith Neal led the attack from the back court. Harry Bergman, the talented ball player from Sweden, added an international flavor to the team. With a 6-4 record, the Tigers finished a respectable third place in the WYL.

JV's Tie For 2nd: 15-7

The JV and Frosh basketball teams had productive seasons. Ron Lyons guided the JV's against extremely tough competition. The kittens had an overall record of 15-7 and tied Hanford for second place in league. Eric Gable and Robert Lutz were strong shooters and Ken Tanner pulled down many rebounds. Everyone on the squad got playing time which should pay off next year as the kittens become Tigers. The Frosh, coached by J. T. Reasonor, had a trying season. The rookies worked hard and had a good attitude but the breaks fell the wrong way. With talent like Thor Dekker, a forward, Phil Nisbet, center, and guard Tom Thompson, the frosh had a much better team than their league record of 3-7 indicates. At any rate, the experience gained will enhance Lemoore's fine basketball program.

Burnz Clemens uses perfect form in his jump shot for two.

Varsity Tops WYL; JV's Undefeated

Under the dedicated coaching of Karen Wood, Lemoore girls basketball has become a dynasty. Championships are the rule for her teams, and 1979 was no exception. The varsity cagers went undefeated in league, and tied for third in valley playoffs. Tammy Feese led the girls in shooting. Floor leader Debbie Hamblin was an all around asset to the team. The successful season was a total team effort. The J.V.'s were equally spectacuar, capturing the WYL title, with a 14-0 record. Dora Contreras and Kim Nail were standouts among the fine group of girls. Great season girls!

Wrestlers. Grapplers. Matmen. That's our wrestling team. A game bunch, but unfortunately our league boasts some of the strongest and the most skilled wrestlers in the valley. It has continually been an uphill struggle. The year 1979 was no exception. Veterans Al Luis, Otis Tolbert, Bill Badasci, and John Daulton did give us some strength but you must have depth to win. You've got to score points. You must reverse, escape, or pin your opponents. Our guys showed a lot of class by not folding under the pressure. Good job Tigers!

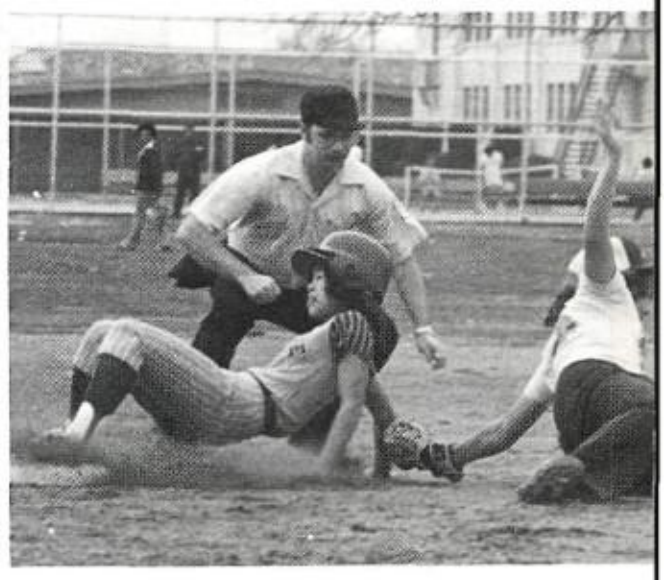
Valley Champs Clobber Opponents

LEFT. Cheryl Kistler swings into action. RIGHT: Kathy Torres gets set for Tina Zanola's pitch. BELOW. Lori Romeiro rocks and fires.

How do you top a Valley Championship? A very difficult act to follow. Bob Smith's terrific Tiger gals started off exactly like they left off in 1978. They bombed Hoover, beat McLane, and clobbered Tulare, Monache, and Exeter in succession. They were 6-0 when league play opened, well on their way to another super season. Early season standouts included Lori Romeiro and Tina Zanola on the mound; Cathy Lowas and Debbie Hamblin at the plate; and Susan Lee and Kathy Torres defensively.



ABOVE. Coach Smith gives pre-game pep talk. ABOVE MIDDLE. Regina Azevedo crosses home plate. ABOVE RIGHT. Sue Lee slides in safe.

FRONT. Marie Paulo, Regina Azevedo, Cheryl Kistler, Susan Lee, Lori Romeiro, Marcie Holmes. MIDDLE. Jackie Gable, Margaret Oliveira, Lori Foote, Debbie Hamblin, Tina Zanola. BACK. Asst. Coach Karen Wood, Lisa Whitfield, Cathy Lowas, Kathy Torres, Sharon Hunter, Coach Bob Smith.

The Tiger tennis teams consisted of a talented bunch of athletes. Lemoore's courts were blessed with strong but smooth strokers who made the game look easy. The boys, coached by Jim Moxley, looked like winners. Dan Reynoso and Joe Harding picked up many singles victories for the Varsity. Paul Niday and Randy Lemons played excellent doubles all season long. The JV's also looked good with Pete DeBaets filling the #1 singles spot. Rick Soto and Glen Powell were a strong doubles combination. The girls looked equally strong with seasoned veterans like Linda Hamilton for singles and the doubles combination of Julie Hamblin and Laurie Burrell. Danielle Cramner and Teresa Jennings added to the team's strength.

FRONT. Duane Hollers, Earl Partridge, Dan Reynoso, Randy Lemons BACK. Coach Jim Moxley, Don Rhea, Joe Harding, Paul Niday, Kiran Patel, Robert Redmon.

"Swim, Swim, Swim" is no understatement for the Lemoore tankers. They put in thousands of yards per practice; twice each day. Coach Riley Jones has quite a few Tigers in his tank, so the yardage pays off at meets. Brad Jones and Mark Norgaard led the boys team. Wendy Lloyd and Kim Pressley were hard-working winners for the females. Lemoore's divers also worked hard to be in top form for competition. Veterans Nick Norton and Jeanette Irigary were team, as well as league leaders. Both the swimmers and divers worked hard and should have had a lot to show for it when the league meet came around in May.

A young group assaulted the links this season- *No* Seniors in the group, and a fast charging Freshman, Richy Rhoads. Bryant Zable, Steve Gobby, Marty Rhoads, and Mark Gilkey round out the top five. The WYL is tough but these guys were equal to the challenge. Early season rounds indicate that they will put pressure on leaders.

Only Yesterday We Were Freshmen

BACK ROW. Mike Benito, Senior Class President; Dorit Dudley, Treasurer; John Murray, Senior Class Vice-President; Robin Fleming, Delegate; Steve Keller, Delegate FRONT ROW. Karen Trombley, Delegate; Advisors; Georgia Huneke, Janie Hearn, Jim Hammond; Senior Class Secretary, Leslie Swarzenbach.

It seems like only yesterday we were Freshmen. We were unsure of ourselves wondering what our high school years have in store for us. Now we are at the end. We must leave behind friends that we've made and make new ones. Some will follow us to college while others will start a new life without us. We are unsure of our future. We don't know whether it will hold everything for us that we have dreamed. Some of us will be striking out on our own. It will be sad to leave a familiar place that we have been coming to for the past four years. We will miss the faces of familiar underclassmen. Now, we ourselves will be underclassmen, whether we go on to college or go out into the world. We have confidence in ourselves. We will let nothing stand in our way.

At Night Rally we showed class spirit through our unity. Togas were the thing and we were wearing them. At Powderpuff we slipped through the mud and pulled out a victory over the Juniors.

As we reflect upon our years at LHS, we've proven that the last of the seventies is the best of the seventies. Good luck to the class of 1979.

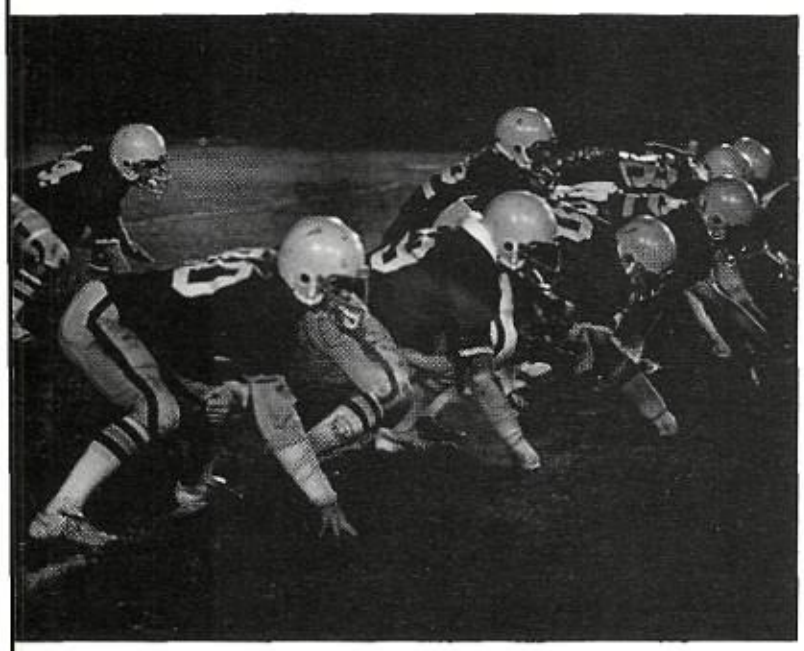
Juniors - A Class With CLASS!

We are not just any Junior class. We are the class with class. The class of 1980. Wherever you looked we were there. At games, rallies, and school activities. We diligently supported our class whether we were sweating a loss or smelling a victory. We participated in all the events that were held at Night Rally and did great. We made sure that we enjoyed every thing about LHS.

A great number of us got involved in student government and became aware of how our school functions. We took an active interest in many clubs on campus.

Sponsoring was our word. We sponsored an after game dance to raise money for the Junior/Senior prom. The prom, which was one of the highlights of the spring semester, was a great success. The Junior class play, "Who Done It," was also a great success. We proved to be a very talented and enthusiastic class. We anticipated the loss of the class of 1979 with mixed feelings, but we know that next year we would be leaving as the class of 1980.



ABOVE. The Kitten offense is ready for action. BELOW. This Class has got class.

Sophomores: All Over The Place

In the middle of the action, everywhere you look, at every game, in every club, all over campus—we are the super Sophomore class of 1981. Sophomore pride became evident during Homecoming. We showed spirit at Night Rally and put up a good fight in all the events we competed in. Powderpuff was another place where we put up a good fight. Our brave girls and our coaches stood in the rain and slipped around in the mud. We might have lost, but we looked good.

We helped cheer our teams to victory; we looked forward to the dances, and we participated in student government.

Social events helped to enrich our experiences but they were just part of our lives on campus. We had many hard classes and worked hard to earn many good grades. We received our class rings that were ordered last year and displayed them proudly.

With each new interest, we gained many new friends, and the happiness that they have brought.

Being Freshmen — Not All That Bad

Starting at the bottom of the totem pole—again. We were scared at first but as the months progressed, we became more at ease with the surroundings and realized that being a freshmen wasn't all that bad. We proved our spirit at the rallies by letting upperclassmen hear us loud and clear. We put up a good fight for fourth place at Night Rally. We managed another fourth place in the decorated car competition. Our streak kept going in that direction pulling out another fourth place in Powderpuff. No one can condemn us for not trying. Freshmen are supposed to lose a few things. After all, we have three more years to win. We sponsored an after-game dance as a money raising activity. We got people involved by holding class elections. We've learned many helpful things from our upper classmen these past nine months. They've taught us how to present a fake green pass without batting an eyelash. We are looking forward to the future hoping for good things to happen.

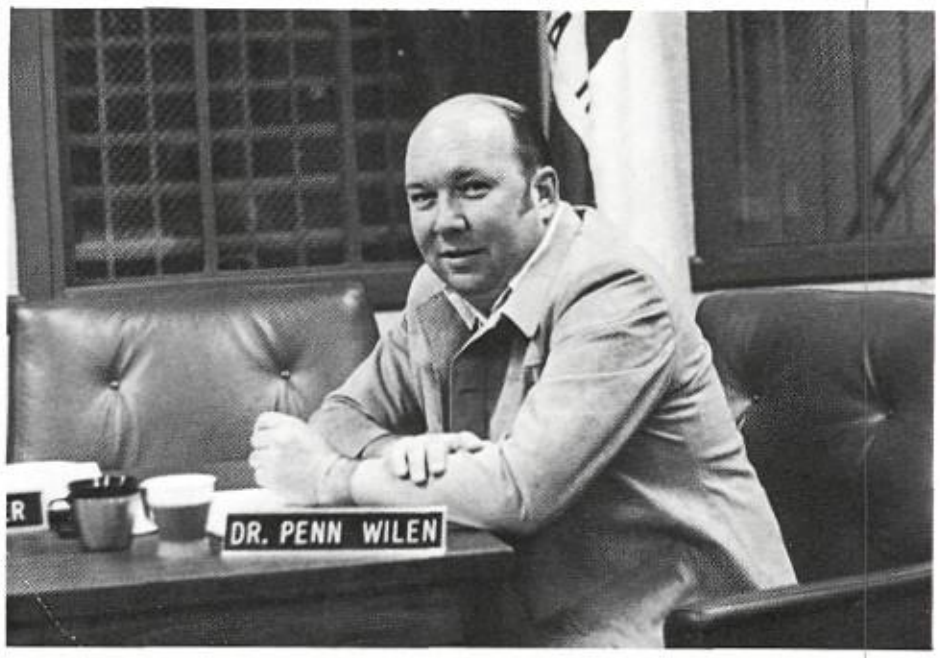
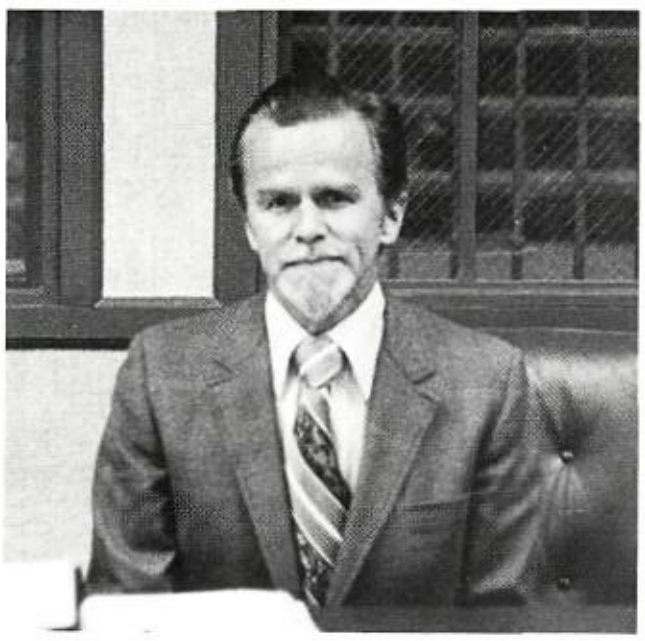
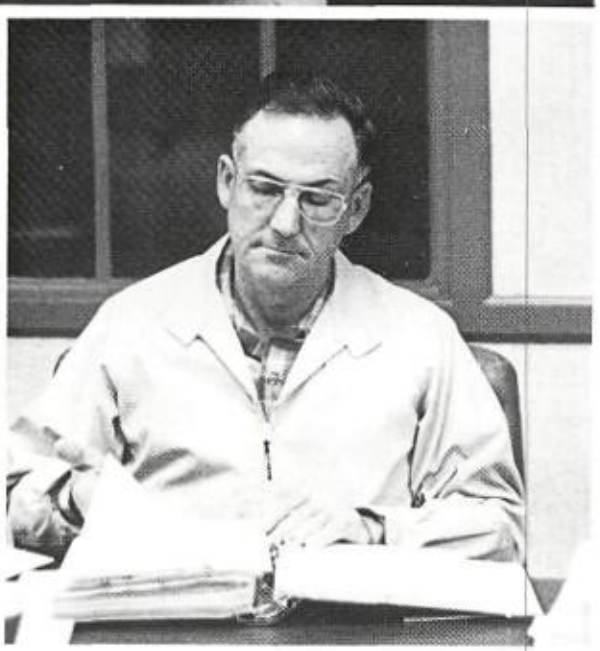
Board Faces Never Ending Task

TOP LEFT. James Castleman, clerk. TOP RIGHT. Dr. Penn Wilen. BOTTOM LEFT. Dr. Elean Walker, chairman. BOTTOM RIGHT. Stanley Hawk. LOWER MIDDLE. Ed Miguel.







Their job is never ending. It takes many hours of planning to produce a smooth running school. Along with administrators, parents, students, and faculty, the Lemoore Union High School Board helps to make our school what it is—-fantastic. The board meets twice a month alternating between Lemoore and Avenal. The public is welcomed to all meetings. When special meetings are to be held, twenty-four hours notice must be given to the public. They decide such things as who will pay for school trips and hear reports from various department heads on the progress of the department.

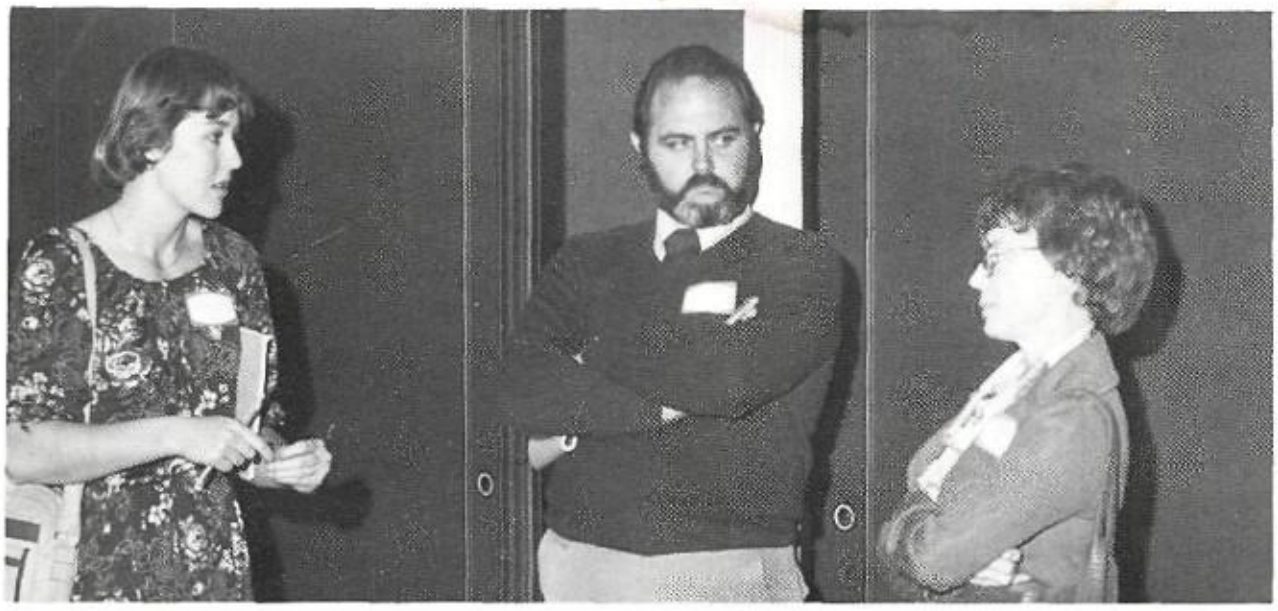
Administrators Solve Problems



They are there to hear whatever is on your mind—if you can catch them in. Who are they? They are our mighty administrators. They are there to handle any problems that arise at L.H.S. and do their best to solve them. They keep all cafeteria food fights under control. One of the administrators is always in the office to check those morning announcements. They are always around the corner when you least expect *and* when you most expect them.
